2009

fb=fynbos th=thicket sd=sand dune dt=dune thicket mb=mossel bay area ls= lime
all=distributed in all areas

MONOCOTYLEDONS

Albuca cooperi	sd	geldbeursie; albuca
Albuca maxima	mb	wittamarak; albuca
Aloe arborescens	th/sd	kransaalwyn
Aloe ferox	mb	tapaallwyn; opregte-aalwyn; bitteraalwyn;
		umhlaba(Xhosa,Zulu);ikalene,khala(Xhosa)
Aleo maculata PP	th	bontaalwyn; spotted leaved aloe
Androcymbium capense	dt	patrysblom; patrysie; men-in-a-boat
Aristea africana	fb	maagbossie
Aristea pusilla	sd	blousuurkanol
Asparagus aethiopicus	th	katdoring; haakdoring
Asparagus rubicundus	th	katdoring; wild asparagus; wag-n-bietjie
(Asparagus asparagoides)?		bridal creeper
Babiana fourcadei	fb	bobbejaantjie
Bobartia aphylla		biesroei
Bobartia robusta (RARE)	fb	biesieblom
Bolboschoenus maritimus		alkali bulrush; snygras
Bonatea speciosa	dt	moederkappie; oktoberlelie;
		green wood-orchid; phantom orchid
Brunsvigia orientalis	sd	kandelaarblom
Bulbine frutescens PP	th	rankkopieva; cat's tail; geelkatstert;
		balsam; Intelzezi(Xhosa)
Chasmanthe aethiopica	dt	suurkanolpypie
Cymbopogon plurinodes		terpentyn gras
Cynodon dactylon		kweek gras
Disa cornuta	fb	inkspot disa
Drimia elata	dt	jeukbol (eaten by Cape Grysbok)
		poison squill
Ehrharta brevifolia	naturalised weed	
Ehrharta bulbosa		
Ehrharta calycina		kleinpyppgras; small pipe grass
Ehrharta pusilla		
Elegia filacea	fb	restio
Elegia muirii (UNCOMMON)	fb	restio
Elegia vaginulata	fb	dekriet
Epischoenus quadrangularis		N/I
Eragrostis capensis		
Eragrostis curvula		berg-soetgras; blousaadgras
Eragrostis plana		
Eriospermum paradoxum	fb	bobbejaan-ui

Ferraria divaricata fb/th
Ficinia filiformis ls

spider lily; spinnekopblom
ficinia

Ficinia praemorsa ls
Ficinia ramocissima ls
Ficinia truncata ls
Freesia alba fb/ls
Freesia leichtlinii (ENDANGERED)

ficinia
ficinia
ficinia
ruikpypie; freesia
duin freesia; dune freesia

Geissorhiza heterophylla
Gladiolus cunonius fb
Gladiolus rogersii ls/fb

satinflower; syblom
lepelblom
riversdale bell

Haemanthus coccineus mb
Hypodiscus willdenowia? fb
Hypodiscus procurrens (RED DATA) dt
Hypoxis setosa all

april fool; blood flower; bergajuin

small yellow star; sterretjie; Inongwe(Xhosa)

Ischyrolepis triflora fb

Lachenalia algoensis dt

viooltjie

Mastersiella spathulata fb
Moraea tricuspidata fb
Moraea unguiculata fb

rietuintjie
wituintjie

Pentaschistis sp.

Restio triticeus fb
Romulea flava fb

froetang; knikkertjies

Satyrium sp. dt
Spiloxene curculigoides fb
Sporobolus fimbriatus
Sporobolus africanus
Stenotaphrum secundatum

ewwa-trewwa
sterretjie

vleigras
buffels gras; strandkweek

Tetraria bromoides
Tetraria capillacea
Tetraria cuspidata
Thamnochortus cinereas velvety fb
Thamnochortus insignis fb
Thamnochortus muirii (RARE) fb
Trachyandra affinis
Trachyandra filiformis sd
Typha latifolia
Tulbaghia capensis mb

bergpalmiet
bergpalmiet
biesie; biesiegras
besemriet
dekriet
besemriet
veldkool
veldkool
bulrush; matjiesgoed; papkuil
bruin wildeknoffel, wild garlic

DICOTYLEDONS

Abutilon sonneratiatum fb
Acmadenia densifolia (Uncommon) ls
Acmadenia obtusata fb

wildemalva
duinebuchu; steekbuchu
duinebuchu; steekbuchu

Acmadenia heterophylla ls
Adromischus sp. (caryophyllaceus ?)sd

Agathosma apiculata th/fb
Agathosma capensis fb
Agathosma cf. *robusta* (ENDANGERD)
Agathosma murii (Vulnerable)fb

ARCIA
ICIDA

Sutera sp.		skunk bush; stinkbossie
Sutera james-brittonia	th	
Syncarpha paniculata	ls	everlasting; sewejaartjie
Tarchonanthus camphoratus	th	wilde kamfer
Tephrosia capensis		
Tetragonia fruticosa	sd	kinkelbossie
Tetrataria sp.		
Thesidium fragile		
Thesium frisea		swartstorm
Ursinia anthemoides	sd	bergmagriet; marigold; magriet
Ursinia paleacea?		geelmagriet
Ursinia sp.	sd	parachute daisy; bergmagriet
Viscum capense	th/sd	lidjiesstee; voelent; cape mistletoe
Wahlenbergia cf. rigida	fb	african bluebell; boeklokkie; muistepelkaro
Zaluzianskya capensis	sd	verblommetjie
Zygophyllum flexuosum	ls	maerbos; spekbos
Zygophyllum morganiana	th	skilpadbossie

Compile by: A O'Connor and L van der Walt
Date: 21-07-2008

TREES: (Coastal Scrub/Thicket/Forest).

Akocanthera oppositifolia
Buddleja saligna
Chrysanthemoides monilifera

Clausena anisata
Dovyalis rhamnoides
Euclea racemosa
Grewia occidentalis

Gymnosporia buxifolia
Olea europaea subsp. africana

Olea exasperata
Pittosporum viridiflorum

Pterocelastris tricuspidata
Schotia afra var. *afra*
Sideroxylon inerme
Tarchonanthus camphorates

- Common Posion Bush
- False Olive; witolienhout
- Bush- Tick Berry; bietou; boetabessie; bokbessie; itholonja(zulu)
- Perdepis
- Gewone suurbessie
- Seeghwarrie.
- Kruisbessie; cross - berry; assegai wood iklolo(zulu); umnaqabaza(xhosa)
- Gewone pendoring; common spike-thorn
- Olienhout; wilde olienhout; swartolienhout; Umquma(Xhosa)
- Dune Olive
- Cheesewood; kasuur; umkhwenkhwe(Xhosa, Zulu)
- Candlewood
- Karoo boerboon
- Milkwood (Protected)
- Wild camphor bush; mathola(Xhosa); amathola(Zulu)

Please Note:

All Landscaping/Rehabilitation of the gardens should make use of only locally indigenous plants of Mossel Bay. Plant species should therefore be restored in its natural surroundings. Only Thicket species within the Thicket areas and Fynbos species (Limestone and Proteoid Fynbos) in their soil specific areas, in keeping with the natural ecosystems that occur on the site.

Plant species used for rehabilitation should only be propagated from seeds and cuttings made of plant material from this site.

All search and rescue plants obtained from building plots should be rehabilitated on their original site specific area.

This Plant list will be updated regularly since new species may be identified (or added) on site or surroundings.
